- Your teachers will open the windows in your base for good ventilation and there will be plenty of opportunities for fresh air outside.
- You will find lots of new sinks outside to give your hands a good wash and sing Happy Birthday!
- You will only be allowed to use certain toilets (we will tell you when you arrive)

WHAT?

- You will continue to access the virtual school environment and your live lessons.
- No other children or teachers will be able to join your bubble to keep the bubbles secure.
