

Sports Spectator Policy

S. Anselm's has a proud tradition of sporting endeavour. Your positive support and encouragement of all players, staff and officials are greatly appreciated.

All pupils at S. Anselm's Prep School are expected to follow our sporting core values.

These core values are:

- Teamwork
- Respect
- Enjoyment
- Discipline
- Sportsmanship.

All parents and spectators are asked to uphold these core values too.

Our pupils are expected to:

- Respect our match officials and accept their decisions
- Respect the opposition players and their supporters
- Respect our coaches and the opposition team's coaches
- Observe fair-play both on and off the pitch
- Be generous in victory and dignified in defeat

Our pupils play sport because they enjoy it. We want you to enjoy the game as much as they do and to show both teams the respect and support they deserve.

Please do not spoil their game by:

- Disrespecting either team
- Shouting at the match official(s)
- Making inappropriate comments about either team's performance, the coaching or refereeing

Please do support and encourage all players by:

- Supporting positively
- Applauding good play on both teams and participation of all.
- Respecting the match official and the opposition players, coaches and spectators
- Being good role models on the touchline
- Congratulating the opposition and making their players and supporters welcome

As a school we retain the right to ask any spectator to leave the venue at home and away if they do not follow our spectator policy.

Mr G M Simpson
